

South Carolina Board of Economic Advisors

Statement of Estimated State Revenue Impact

Date: March 27, 2007

Bill Number: S.B. 600

Author: Hutto

Committee Requesting Impact: Senate Transportation

Bill Summary

A bill to amend Section [56-3-1960](#), Code of Laws of South Carolina, 1976, relating to free parking for handicapped persons and the issuance and display of handicapped parking placards, so as to provide that the Department of Motor Vehicles (DMV) shall issue an identification card to a person who is issued a placard pursuant to this section.

REVENUE IMPACT ^{1/}

This bill would have no impact on state revenue in FY 2007-08.

Explanation

This bill provides for DMV to concurrently issue a picture identification card (ID) when issuing a temporary or permanent placard for handicapped parking. The ID would verify that a placard was issued to the person authorized to display it. There is no change in the current fee of \$1 to obtain a placard.

Since there is no specific provision to charge an additional fee to issue the picture ID, we expect this bill would have no impact on state revenue in FY 2007-08.
